Kassen's Boon: As a reward for setting his spirit to rest, Kassen offers you one last blessing. With this blessing, you may add 1d6 to a single d20 roll before the results of the roll are revealed. Alternatively, a spellcaster may recall any one spell or spell slot expended that round. Finally, the boon may be used to automatically stabilize if at negative hit points and dying. Once any one of these three abilities is used, cross this entire boon off the Chronicle sheet.
