Pathfinder Adventure
March of the Dead

Pathfinder Adventures
Pathfinder Adventure: March of the Dead can be played to gain specific benefits for the Pathfinder Society Organized Play campaign.

Key Differences from Scenarios
Pathfinder Adventures have variable playtimes. They don’t contain specific faction-related elements, nor are they designed for play by characters over a wide range of levels. They sometimes include pregenerated characters tailored and themed to the adventure. While not required, we recommend using the provided characters, as they strengthen players’ immersion in the story.

Thematically, Pathfinder Adventures don’t assume the characters are members of the Pathfinder Society. March of the Dead is therefore offered outside of the standard Organized Play environment; characters don’t need to conform to the standard Organized Play requirements laid out in the Guide to Organized Play: Pathfinder Society, and they do not receive the school benefits from Pathfinder Training listed in the Additional Character Options section of the Guide.

Keepsakes
Chronicle sheets for Pathfinder Adventures and Adventure Paths will occasionally include a section for Keepsakes. It is generally assumed that a character will only acquire only one keepsake per adventure; once a player has applied this Chronicle to a character and purchased a keepsake from the list, they must cross the remaining items in that list off of their Chronicle sheet. The character does not have access to the crossed-off items, though they may later gain access to some of these items through other means (such as boons purchased through the Achievement Points system on paizo.com). A player cannot purchase more than one copy of a keepsake item.

Applying Credit
Players who play through March of the Dead, as well as GMs who run the adventure, can apply the adventure’s Chronicle Sheet to any of their Pathfinder Society Organized Play characters. Players and GMs must decide which character to apply credit to when they receive the Chronicle Sheet. The Chronicle Sheet gives 8 Experience Point(s), 8 Reputation with one faction, and 20 Treasure Bundles appropriate to a character of their level, applied in batches of 10 Treasure Bundles at each 4 XP interval. It also grants 16 days of Downtime. This adventure is not repeatable, therefore an individual may earn a Chronicle Sheet once as player and once as GM for the adventure.

Players earn access to the items and options listed on the Chronicle Sheet through their actions during the adventure. If the PCs don’t discover an item or fulfill the conditions described in the adventure to gain access to an option, cross that option off of each player’s Chronicle Sheet. If a PC gains access to an option presented on the Chronicle Sheet that can only be obtained by one member of the party, they earn that option on the Chronicle Sheet for all members of their group.

About the Pathfinder Society
The Pathfinder Society is a worldwide fantasy living campaign that puts you in the role of an agent of the Pathfinder Society, a legendary league of explorers, archaeologists, and adventurers dedicated to discovering and chronicling the greatest mysteries and wonders of an ancient world beset by magic and evil. A Pathfinder’s adventures explore the dark alleys and political intrigues of Absalom between far-flung travels to the most interesting and remote locales in the world of Pathfinder.

In an organized play campaign, characters exist in a common setting shared by tens of thousands of other gamers from around the world. Paizo’s Organized Play programs, including Pathfinder Society and Starfinder Society, are campaigns produced by Paizo and used by a volunteer community of organizers and GMs in more than 36 countries on six continents.

Participants in the Pathfinder Society can take their characters to any public Pathfinder Society event anywhere.
in the world, and any Game Master can gather a group of players to run through dozens of different pre-made adventures. It’s a great way to get in touch with other local gamers, meet new people, and play regularly without all the prep work and scheduling of a traditional campaign.

Players and GMs both earn special Achievement Points for participating, which they can use to buy special options for their characters on paizo.com. GMs earn double Achievement Points rewards for the games they run. For more information on the Pathfinder Society, on how to read the attached Chronicle Sheet, and to find games in your area, check out the campaign’s homepage at pathfindersociety.club.
