### WHAT IS A CLERIC?

You are the stalwart mortal servant of a deity. Blessed with divine magic, you can protect and heal your allies and lay waste to your foes.

## KYRA

CLERIC 3

## EQUIPMENT

The following rules apply to Kyra's equipment.

**Backpack:** A backpack holds up to 4 Bulk of items, and the first 2 Bulk of these items don't count against your Bulk limits. If you're carrying or stowing the pack rather than wearing it on your back, its Bulk is light instead of negligible.

**Forceful (trait):** When you attack with this weapon more than once on your turn, the second attack gains a +1 circumstance bonus to damage, and each attack after that gains a +2 circumstance bonus to damage.

**Healer's Toolkit:** This kit of bandages, herbs, and suturing tools is necessary for Medicine checks to Administer First Aid, Treat Disease, Treat Poison, or Treat Wounds. If you wear your healer's toolkit, you can draw and replace the tools as part of the action that uses them.

**Propulsive (trait):** You add half your Strength modifier (if positive) to damage rolls with a propulsive ranged weapon.

☐ **Scroll of Cleanse Affliction:** When holding this scroll, you can cast *cleanse affliction* (see spells). After you cast the spell, the scroll is destroyed.

☐ **Scroll of Resist Energy:** When holding this scroll, you can cast *resist energy* (see spells). After you cast the spell, the scroll is destroyed.

**Sweep (trait):** When you attack with this weapon, you gain a +1 circumstance bonus on your attack roll if you already attempted to attack a different target this turn using this weapon.

## FEATS AND ABILITIES

Kyra's feats and abilities are described below.

**Cleric Spellcasting:** Your goddess Sarenrae grants you the ability to cast divine spells. You can cast divine spells using the Cast a Spell activity. See the Spells section for details on the spells you have prepared.

**Deity (Sarenrae):** Sarenrae the Dawnflower is a goddess of healing, honest redemption, and the sun. Your favored weapon is the scimitar, and she grants you the fire domain.

Sarenrae tasks her followers to destroy the Spawn of Rovagug, protect allies, provide aid to the sick and wounded, and to seek and allow redemption.

Creating undead, lying, denying a repentant creature an opportunity for redemption, casting unholy spells, or failing to strike down evil are all anathema to Sarenrae. Repeatedly or flagrantly performing these anathema might cause Kyra to lose her divine spellcasting and divine font abilities.

**Doctrine (Cloistered Cleric):** You gain the Domain Initiate feat (see focus spells).

**Group Impression:** When you Make an Impression, you can compare your Diplomacy check result to the Will DCs of up to 10 targets you conversed with, with no penalty.

**Haughty Obstinacy:** Your powerful ego makes you hard to order around. If you roll a success on a saving throw against a mental effect that attempts to directly control your actions, you critically succeed instead. If a creature rolls a failure on a check to Coerce you using Intimidation, it gets a critical failure instead (so it can't try to Coerce you again for 1 week).

**Heightening Spells:** When you prepare spells in spell slots of 2nd rank and higher, you can fill those slots with stronger versions of

lower-rank spells. This increases the spell's rank, heightening it to match the spell slot. Many spells have specific improvements when they're heightened to certain ranks. Cantrips are always heightened to half your level rounded up (to 2nd rank, in Kyra's case). The effects of Kyra's heightened cantrips are already incorporated into their descriptions listed in the Spells section below.

**Sanctification (Holy):** You gain the holy trait, which commits you to one side of a struggle over the souls of the planes and may be referenced in other abilities. The holy trait indicates a powerful devotion to altruism, helping others, and battling against unholy forces like fiends and undead. Some spells and abilities have the sanctified trait. When you use a sanctified ability, you add your holy trait to it.

**Student of the Canon:** If you roll a critical failure at a Religion check to Decipher Writing of a religious nature or to Recall Knowledge about the tenets of faiths, you get a failure instead. If you roll a failure, you get a success instead, and if you roll a success, you get a critical success instead.

## SPELLS

Kyra can cast the following spells. She can cast up to five cantrips, three 1st-rank spells, and two 2nd-rank spells but must prepare them in advance. Additionally, she can cast the *heal* spell four times a day as a 2nd-rank spell.

## Cantrips

**Daze** ♦♦ (cantrip, concentrate, manipulate, mental, nonlethal); **Range** 60 feet; **Targets** 1 creature; **Defense** Will; **Duration** 1 round; **Effect** You push into the target's mind and daze it with a mental jolt. The jolt deals 1d6 mental damage, with a basic Will save. If the target critically fails the save, it is also stunned 1.

**Divine Lance** ♦♦ (attack, cantrip, concentrate, manipulate, sanctified, spirit); **Range** 60 feet; **Targets** 1 creature; **Defense** AC; **Effect** You unleash a beam of divine energy. Make a ranged spell attack against the target's AC. On a hit, the target takes 3d4 spirit damage (double damage on a critical hit).

**Guidance** ♦ (cantrip, concentrate); **Range** 30 feet; **Targets** 1 creature; **Duration** until the start of your next turn; **Effect** You ask for the guidance of supernatural entities, granting the target a +1 status bonus to one attack roll, Perception check, saving throw, or skill check the target attempts before the duration ends. The target chooses which roll to use the bonus on before rolling. If the target uses the bonus, the spell ends. Either way, the target is then temporarily immune for 1 hour.

**Light** ♦♦ (cantrip, concentrate, light, manipulate); **Range** 120 feet; **Duration** until your next daily preparations; **Effect** You create an orb of light that sheds bright light in a 20-foot radius (and dim light for the next 20 feet) in a color you choose. If you create the light in the same space as a willing creature, you can attach the light to the creature, causing it to float near that creature as it moves. You can Sustain the spell to move the light up to 60 feet; you can attach or detach it from a creature as part of this movement.

You can Dismiss the spell. If you Cast the Spell while you already have four *light* spells active, you must choose one of the existing spells to end.

**Stabilize** ♦♦ (cantrip, concentrate, healing, manipulate, vitality); **Range** 30 feet; **Targets** 1 dying creature; **Effect** Life energy shuts

death's door. The target loses the dying condition, though it remains unconscious at 0 Hit Points.

## 1st

**Bless** ♦♦ (aura, concentrate, manipulate, mental); **Area** 15-foot emanation; **Duration** 1 minute; **Effect** Blessings from beyond help your companions strike true. You and your allies gain a +1 status bonus to attack rolls while within the emanation. Once per round on subsequent turns, you can Sustain the spell to increase the emanation's radius by 10 feet. *Bless* can counteract *bane*.

**Sanctuary** ♦♦ (concentration, manipulate); **Range** touch; **Targets** 1 creature; **Duration** 1 minute; **Effect** You ward a creature with protective energy that deters attacks. Creatures attempting to attack the target must attempt a Will save each time. If the target uses a hostile action, the spell ends.

**Critical Success** *Sanctuary* ends.

**Success** The creature can attempt its attack and any other attacks against the target this turn.

**Failure** The creature can't attack the target and wastes the action. It can't attempt further attacks against the target this turn.

**Critical Failure** The creature wastes the action and can't attempt to attack the target for the rest of *sanctuary*'s duration.

**Spirit Link** ♦♦ (concentration, healing, manipulate, spirit); **Range** 30 feet; **Targets** 1 willing creature; **Duration** 10 minutes; **Effect** You form a spiritual link with another creature, taking in its pain. When you Cast this Spell and at the start of each of your turns, if the target is below maximum Hit Points, it regains 2 Hit Points (or the difference between its current and maximum Hit Points, if that's lower). You lose as many Hit Points as the target regained.

This is a spiritual transfer, so no effects apply that would increase the Hit Points the target regains or decrease the Hit Points you lose. This transfer also ignores any temporary Hit Points you or the target have. Since this effect doesn't involve vitality or void energy, *spirit link* works even if you or the target is undead. While the duration persists, you gain no benefit from regeneration or fast healing. You can Dismiss this spell, and if you're ever at 0 Hit Points, *spirit link* ends automatically.

**Heightened (+1)** The number of Hit Points transferred each time increases by 2.

## 2nd

**Cleanse Affliction** ♦♦ (concentrate, healing, manipulate); **Range** touch; **Targets** 1 willing creature; **Effect** Gentle restorative magic pushes back the effects of toxins and more complex maladies. Choose an affliction on the target, such as a curse, disease, or poison. If it has advanced past stage one, reduce the stage by one. This reduction can be applied only once to a given case of an affliction, with the case ending when it's completely cured. Although the reduction can't occur again, heightened versions of this spell attempt to counteract with each casting.

**Dispel Magic** ♦♦ (concentrate, manipulate); **Range** 120 feet; **Targets** 1 spell effect or unattended magic item; **Effect** You unravel the magic behind a spell or effect. Attempt a counteract check against the target. If you successfully counteract a magic item, it becomes a mundane item of its type for 10 minutes. This doesn't change the item's non-magical properties. If the target is an artifact or similar item, you automatically fail.

**Heal** ♦ to ♦♦♦ (healing, manipulate, vitality); **Range** varies (see spell text); **Targets** 1 willing living creature or 1 undead creature; **Effect** You channel vital energy to heal the living or damage the undead. If the target is a willing living creature, you restore 2d10 Hit Points. If the target is undead, you deal that amount of vitality damage to it, and it gets a basic Fortitude save. The number of actions you spend when Casting this Spell determines its targets, range, area, and other parameters.

♦ The spell has a range of touch.

♦♦ (concentrate) The spell has a range of 30 feet. If you're healing a living creature, increase the Hit Points restored by 16.

♦♦♦ (concentrate) You disperse vital energy in a 30-foot emanation. This targets all living and undead creatures in the burst.

**Resist Energy** ♦♦ (concentrate, manipulate); **Range** touch; **Targets** 1 creature; **Duration** 10 minutes; **Effect** A shield of elemental energy protects a creature against one type of energy damage. Choose acid, cold, electricity, fire, or sonic damage. The target and its gear gain resistance 5 against the damage type you chose.

**Spiritual Armament** ♦♦ (concentrate, manipulate, sanctified, spirit); **Range** 120 feet; **Targets** 1 creature; **Defense** AC; **Duration** sustained up to 1 minute; **Effect** You create a ghostly, magical echo of one weapon you're wielding or wearing and fling it. Attempt a spell attack roll against the target's AC, dealing 2d8 damage on a hit (or double damage on a critical hit). The damage type is the same as the chosen weapon (or any of its types for a versatile weapon). The attack deals spirit damage instead if that would be more detrimental to the creature (as determined by the GM). This attack uses and contributes to your multiple attack penalty. After the attack, the weapon returns to your side. If you sanctify the spell, the attacks are sanctified as well.

Each time you Sustain the spell, you can repeat the attack against any creature within 120 feet.

## FOCUS SPELLS

Kyra can cast a domain spell. Domain spells are a type of focus spell. It costs 1 Focus Point to cast a focus spell, and you start with a focus pool of 1 Focus Point. You refill your focus pool during your daily preparations, and you can regain 1 Focus Point by spending 10 minutes using the Refocus activity (*Player Core* 298) to pray to Sarenrae or do service toward her causes.

**Domain Initiate (Fire):** Your Domain Initiate feat grants you the *fire ray* domain spell, which you can cast by spending 1 Focus Point from your focus pool of 1.

**Fire Ray** ♦♦ (uncommon, attack, cleric, concentrate, fire, focus, manipulate); **Range** 60 feet; **Targets** 1 creature; **Defense** AC; **Duration** until the end of the target's next turn; **Effect** A blazing band of fire arcs through the air, lighting your opponent and the ground they stand upon on fire. Make a spell attack roll against the target's AC. The ray deals 4d6 fire damage on a hit (or double damage on a critical hit). On any result other than a critical failure, the ground in the target's space catches fire, dealing 2d6 fire damage to each creature that ends its turn in one of the squares.
